## Freelance Opportunities - Producers

Contributed by Administrator  
Wednesday, 25 November 2009

For over 30 years ABT has been fostering a culture of creative, passionate and collaborative individuals - producing outstanding communication solutions for our clients. ABT brings brands to life via creative communication, strategic communication campaigns, branded environments, live events and interactive experiences.

We are looking to grow our creative community with talented and accomplished freelance Producers, particularly those with extensive experience in delivering live events and show craft expertise.

((Essential Skills:

- &bull; Significant experience in production communication (min. 10 years) delivering outstanding projects independently.
- &bull; A thorough understanding of creative and communication intent - strategy, brand, communication and content development.
- &bull; An extensive working knowledge of how to design communication and production across all mediums of delivery (screen, video, print, web, live events, exhibitions and general corporate communications)
- &bull; A thorough understanding of technical and/or logistical issues involved in project delivery.
- &bull; Strong interpersonal and people management skills.
- &bull; Strong computer literacy (Mac based platform)

Live Specialist Knowledge and Experience Areas:

- &bull; Extensive expertise in developing, producing and calling shows.
- &bull; Identifying and bringing together show elements in-line with the client brief.
- &bull; Responsible for managing the event framework and 'building the show'; gathering and co-ordinating the technical elements (lights, audio, AV, staging).

If you would like to be part of the ABT creative community, please forward your resume to Head of Production at [studiorecruit@abt.com.au](mailto:studiorecruit@abt.com.au) (no calls please)

((Please note: only successful candidates will be contacted. (Applicants must be residing in and be able to validly work in Australia.
